

● **Getting here: we are part of the Canary Wharf development area in the former London Docklands. So head for Canary Wharf. Call us if you have difficulty finding us.**

**Train:** If you are coming by Eurostar, go to Waterloo, take the Jubilee Line to Canary Wharf, and change to the DLR at Heron Quay or Canary Wharf. This takes about 20 minutes. Other main line stations – head for the DLR, changing from the underground at Tower Gateway or Bank.

Take the Docklands Light Railway (DLR) to Crossharbour (next after South Quay). On leaving the station turn left down the main road, and pass the Jaguar dealership (on your right). Cross the road and you should see the way into Skylines Village. Reception is in 53, which is opposite the way in through the car barrier.

**By road:** Head towards the Isle of Dogs/ Canary Wharf/ HSBC/Citigroup towers, or signs to London Arena. Cross onto the Isle of Dogs.

- **if you come in from the City Airport side follow signs for Isle of Dogs and London Arena:** once you cross the blue bridge onto the island, (blue bridge is right opposite the Millennium Dome), you turn right (last exit) at the mini roundabout onto Marsh Wall. Then take the first left into Limeharbour, (parallel to DLR track which you will see swinging round to follow the road); you are skirting Skylines Village. Take a left into the village at the barrier. The parking space is for 53 or 54 – we will direct you. If the porter stops you, ask for Malika Moussaid.

- **if you come from the City/ West End side, go into Limehouse link tunnel then first exit for Canary Wharf.** At the lights at the end of the slip road turn right and go under the complex, exiting at third exit (straight on) from the underground roundabout. At next mini roundabout take second exit – Marsh Wall, (slightly left of straight ahead...) and follow the dock round past PricewaterhouseCoopers building and International Hotel; after next lights, cross small bridge and take the right turn after the bridge into Limeharbour, then left as above into Skylines.

**By Air:** the most convenient airport is London City Airport, ten minutes only from our office. It now serves many major European destinations.

Stansted and Gatwick airports are about one hour away and well served by cabs and trains. We can arrange a car to pick you up if you want from the airport, or head for Liverpool Street or London Bridge Stations (Victoria will also do but is further) and then take the Underground and DLR.

Heathrow airport takes 90 – 120 minutes.

**Hotels:** There are plenty of hotels across all price ranges within easy reach of our offices. We can help with reservations. These include Four Seasons, International, Holiday Inn Express, Ibis and Travelodge.
